BAPTISM CERTIFICATES AND MARRIAGES

This table sets out the fees prescribed by the Parochial Fees Order 2024 (a **Statutory Instrument**) and summarises other relevant **information**. For legal purposes reference should be made to the Order itself. There is a separate table for fees for funerals, burials, and monuments.

The 2024 Order set the framework for fees until the end of 2026. It provided that fees would increase annually in line with CPI, capped at 5%, rounded up to the nearest pound.

For further information about fees refer to the **Guide to Church of England Parochial Fees and Frequently Asked Questions** which are available on the Church of England website.

Statutory fees are only prescribed for matters in respect of which parishioners have a legal right. Not all services come into this category, for example funerals where there is a period of more than 48 hours between the funeral service and the cremation and between the cremation and the disposal of ashes. This also applies to special services such as memorial services and services of blessing and dedication following a civil marriage. The Archbishops' Council recommends that, where a memorial service is on a similar scale to a funeral service, or a service of blessing and dedication following a civil marriage or a renewal of marriage vows is on a scale equivalent to a wedding service, the PCC fee should be based on the statutory fee for the service, with the PCC receiving the equivalent of the combined DBF and PCC fee.
